Please be advised that the 119th Session of the Florida State Primitive Baptist Convention has been rescheduled to convene August 16-22, 2020. Let me thank each of you for your patience during this challenging time in our society. Your registration will be applicable when we convene in August. I am grateful for the prayers, concern, Convention support and care for each other. Plan to meet us in August as the Lord allows.

I thank all of you for your patience while, I negotiated this favorable outcome. Moderator Price and the Middle Florida Georgia Association, I extend a debt of gratitude as you remained committed to host the session. **GOD BLESS YOU ALL**

Guests may begin to call-in to make their reservation date changes with their existing confirmation number and/or last name. Please have them call the **hotel's front desk at (904)396-5100** or **my desk at (904)421-4479**.

Our Contact is **Kirsten McDuffie**

We need to ask that they bear with us when they call-in as we are working with limited staff at the front desk, but that's why I am providing my desk line as well. I'm happy to assist with this task to ensure everyone has a smooth and pleasant experience.
